**April 20, 2010** - Crouse Hospital recently celebrated “topping off” the Chris J. and Marshia K. Witting Surgical Center Addition in Syracuse.

Hospital administration and staff, doctors, donors, and Hayner Hoyt personnel were on hand to celebrate this important construction milestone.

Hayner Hoyt is the Construction Manager for the project. The large addition will house 14 state-of-the-art operating rooms on the first floor, while the second floor will remain open for future use as the emergency department. Additionally, the addition’s sub basement holds new, efficient air handling units, backup generators and other mechanical and electrical systems that will replace the current equipment for the entire hospital campus.

Hayner Hoyt is a general contracting and construction management firm located in Syracuse, NY. For more than 40 years, Hayner Hoyt has been providing clients with quality construction services and exceptional customer service.
