May 24, 2010 - The employees at The Hayner Hoyt Corporation have received training in storm water management at the Hayner Hoyt headquarters in Syracuse.

The 4-hour program, held by the NYS Department of Environmental Conservation, trained 29 Hayner Hoyt project personnel in storm water discharge, sediment and soil erosion control, and state environmental rules and regulations. Upon completion, Hayner Hoyt employees were certified by the state in erosion and sediment control.

Hayner Hoyt is a general contracting and construction management firm located in Syracuse, NY. For more than 40 years, Hayner Hoyt has been providing clients with quality construction services and exceptional customer service.
